Payment Options

Transaction Fee

1. Once directed to payment details, select **GCash** under Payment Method

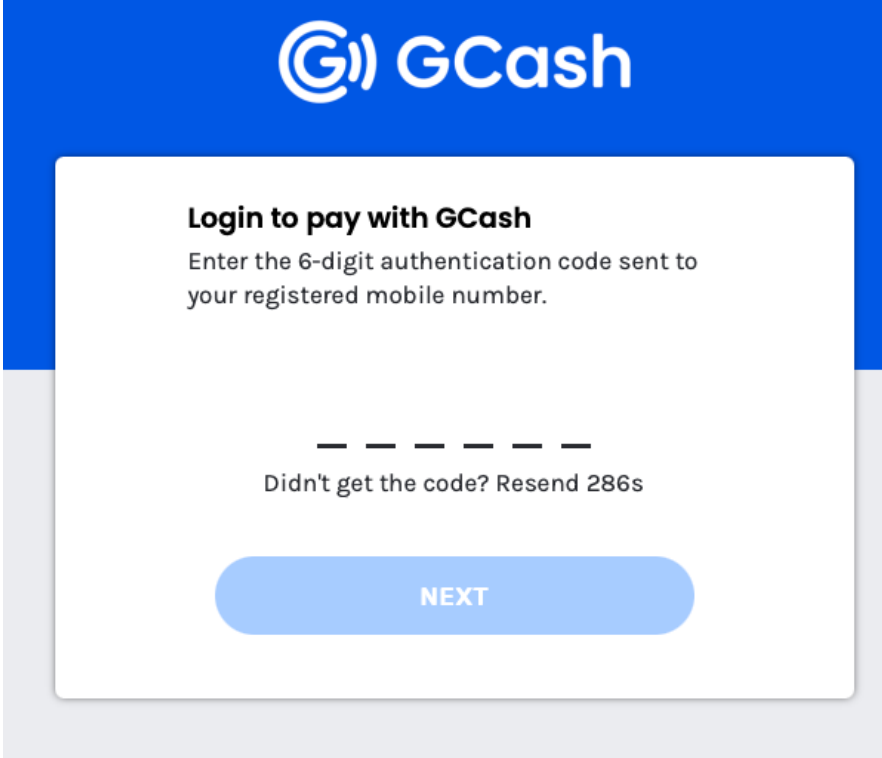

Paying with GCash

The screenshot shows the GCash payment interface. At the top, the GCash logo is displayed. Below it, the merchant is listed as DTI, and the amount due is PHP 500.00. A white box prompts the user to "Login to pay with GCash" and shows a mobile number field with the number +63 9274381285. A blue "NEXT" button is located below the field. At the bottom of the white box, there is a link that says "Don't have a GCash account? [Register now](#)".

2. Type your mobile number registered with GCash on the payment facility page and click “Next”

Paying with GCash

A screenshot of the GCash mobile application interface. At the top, there is a blue header with the GCash logo and the word "GCash" in white. Below the header, a white card contains the text "Login to pay with GCash" and "Enter the 6-digit authentication code sent to your registered mobile number." In the center of the card, there are six dashed lines representing the input field for the 6-digit code. Below the input field, it says "Didn't get the code? Resend 286s". At the bottom of the card, there is a blue rounded button with the word "NEXT" in white capital letters.

GCash

Login to pay with GCash

Enter the 6-digit authentication code sent to your registered mobile number.

Didn't get the code? Resend 286s

NEXT

3. Enter the authentication code sent to your mobile number and click “Next”

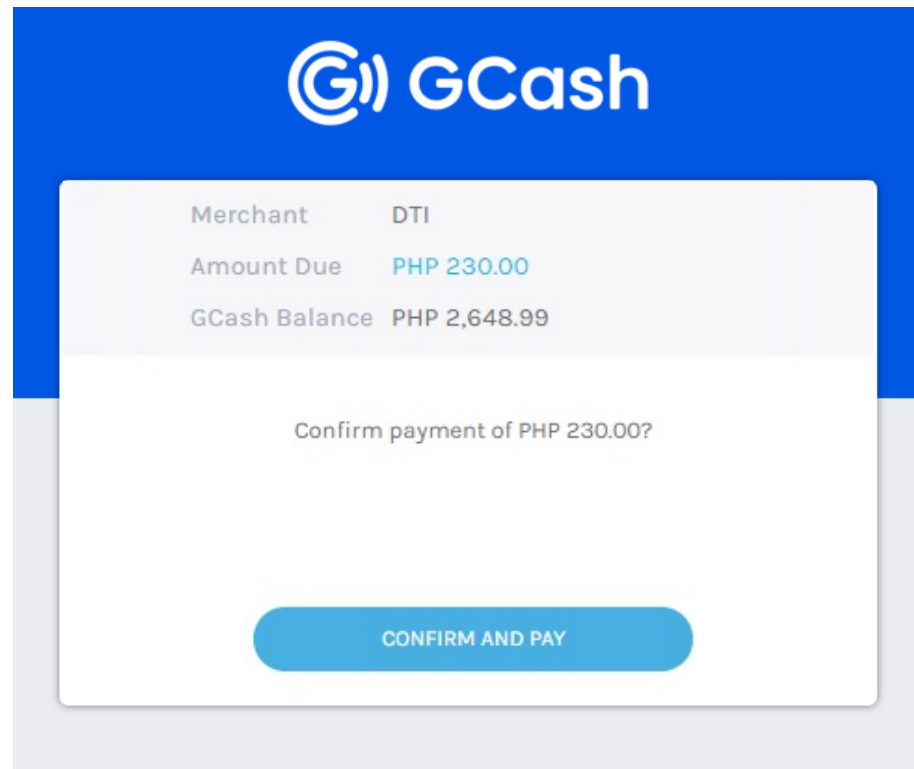

Paying via GCash

The screenshot shows the GCash login interface. At the top, the GCash logo is displayed on a blue background. Below the logo, the text "Login to pay with GCash" is shown, followed by the instruction "Enter your 4-digit MPIN." Below this text are four empty circles for entering the MPIN. At the bottom of the form is a blue button labeled "NEXT".

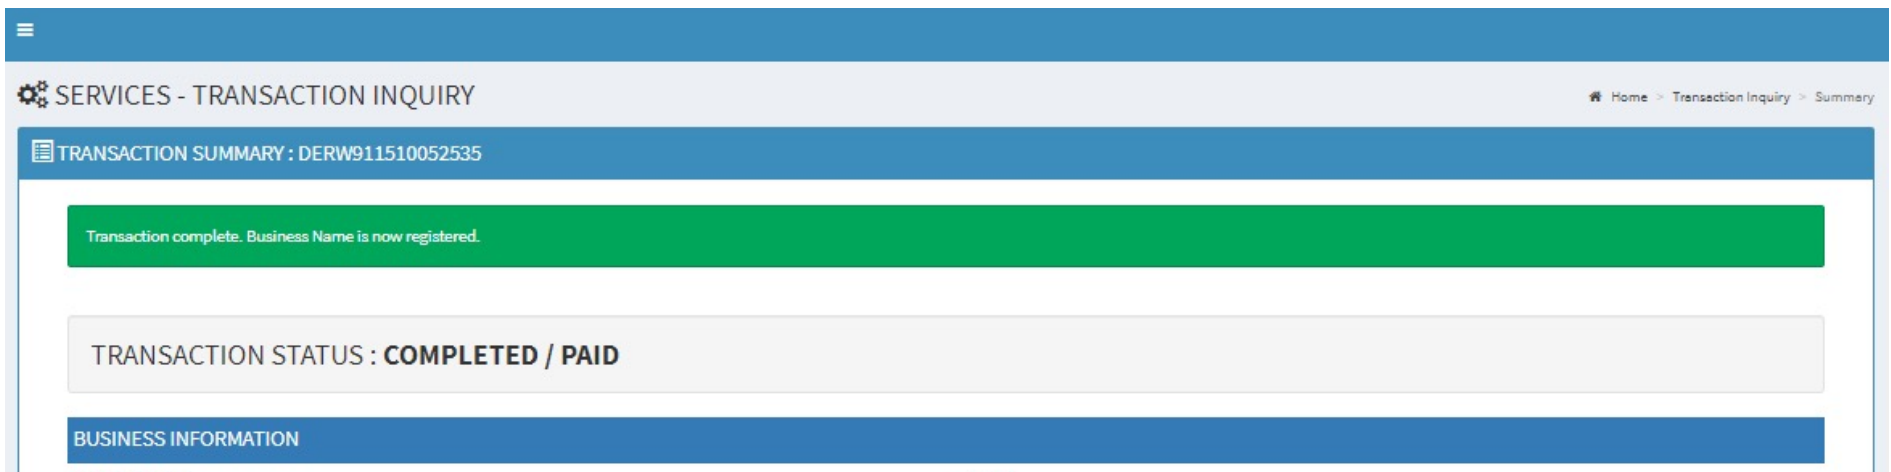

4. Enter your 4-digit MPIN and click “Next”

Paying with GCash

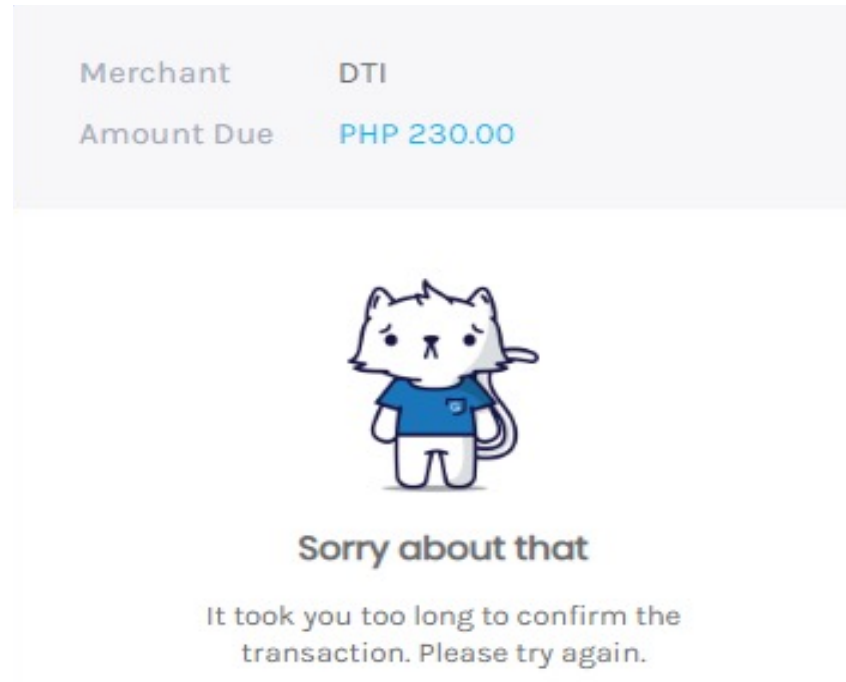

5. The summary of your transaction will appear. Click “Confirm and Pay”

Paying with GCash

6. When payment is successful, you will be directed back to BNRS showing “Transaction Status: Completed/Paid”

Paying with GCash

If transaction is unsuccessful, GCash will display a notification similar to screenshot shown above. Click “back” on your browser to re-do the transaction.

Thank you.
